

## Why choose Vista Higher Learning?

1. World languages is not just our business, it's our passion. It's all we do.
2. Superior support from day one includes personalized training by nationally-renowned world language educators (not generalists).
3. Proven six-step instructional design focusing on personalization, authenticity, cultural immersion, and the seamless integration of text and technology make VHL programs the best resources for proficiency-based instruction.
4. The Supersite is the ONLY online learning environment created specifically for world language acquisition—providing all digital resources in one place.
5. The programs encompass 100% TEKS coverage.
6. Texas-specific Lesson Planning Tools correlate program activities to Learning Targets, TEKS, the 5 C's, and the three modes of communication.
7. Complete articulation from level one through advanced from the publisher of the best-selling AP<sup>®</sup> titles TEMAS and THÈMES—which your district/school may already be using.
